

HOW IS A \$100,000 DONATION TO MHA DISBURSED?

Music Health Alliance is a health and human services non-profit organization; This means that MHA's staff provides direct services to clients. MHA's objective, no-cost and direct-to-patient services are the greatest asset they offer their clients and appropriately their primary program expense.

MHA Staff is able to turn a donation of \$100,000 into \$3,000,000 in healthcare resources for MHA Clients. *MHA is not a foundation non-profit that writes checks to cover services.*

MHA Expense Breakdown:

- **86% PROGRAMS & SERVICES:** (\$86,000) of MHA funding goes directly to MHA Programs & Services including patient advocacy, finding doctors and medicine, ways to pay for healthcare - *detailed breakdown below.*
- **14% OVERHEAD COSTS:** (\$14,000) of MHA funding goes to overhead costs like rent, utilities, printing, office supplies, software, event/fundraising costs, meetings, etc.

\$100,000 Donation Breakdown

■ Direct Programs & Services ■ Overhead Expenses

IMPORTANT FACT: THE COST OF PROVIDING MHA'S PROGRAMS & SERVICES IS LESS THAN 1% OF THE COST MHA HAS SAVED ITS CLIENTS.

MHA Programs & Services Breakdown

- **30% PROTECT** – MHA provides patient advocacy or appealing hospital, doctor, pharmaceutical companies, healthcare.gov and health insurance companies decisions, providing informed and factual access to Health Insurance or providing alternative ways to pay for healthcare.
